

PETITION GUIDELINES

In order to be certified, a paper petition must:

- contain at least 25 original signatures with valid addresses written on the petition (we suggest collecting at least 30-35, as some people will not write down a valid address and their signature will not be counted);
- have at least 3 valid signatures and addresses on the first page after the full text of the petition;
- include the subject matter or the prayer of the petition on each subsequent page; and
- be printed on paper no smaller than 5.5” x 8.5” and no larger than 11” x 17”.

A paper petition must not:

- contain signatures that are photocopied, pasted, taped, or otherwise transferred to it;
- contain alterations or interlineations in its text after it’s been signed;
- include any attachments or appendices;
- include images or logos; and
- be printed on the back of another document.

Please contact my team at mark.gerretsen@parl.gc.ca or 613-542-3243 if you have any questions about signing or gathering signatures for this petition.
